### ***Industry Institute Partnership Cell***

The Industry Institute Partnership Cell was organized in the year 2007, as continuous interaction between academia and industry which is the need of the hour. It provides a platform for both the students as well as faculty members to be aware of industry expectations of skill sets required for students. This enables students to be aware of the lacunae in their skills and provides an opportunity to upgrade them. It also enables Faculty to be aware of industry expectations & train students to meet these expectations. Faculty members through FDPs are also provided an opportunity to constantly upgrade their knowledge. This will enhance the Teaching Learning Process and enable the Institution to produce quality students. Such interactions can thus be of mutual benefit to the institution as well as the industry.

### ***Vision***

To make Khammam Institute of Technology and Sciences(KITS) College a hub for the conflux of the best talents from industry and academia.

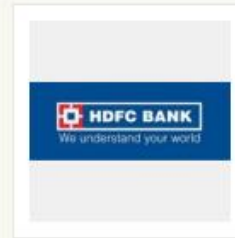

Training and Placement Cell is an integral part of our institution. The institute has provided the complete infrastructure for effective functioning of the cell. Training activities are organized throughout the year to prepare the students for campus selections.

KITS Placement cell was established in 2010 with a prime objective of creating career opportunities for KITS students in reputed corporate companies towards meeting aspirations of all the stakeholders. To accomplish this career objective placement cell has identified corporate in various sectors and initiated the process of building a mutually rewarding relationship with them. KITS placement cell had a humble beginning in 2010 and at present it has well furnished with all the state of art facilities like Conference Hall , Home Theatre, LCD Projector, PA system and an office which is equipped with Laptop, Desktops, Laser Printers, Exclusive room for Group Discussions and Interview Rooms .

## **OBJECTIVES**

- 1.To make KITS a favorite destination for all multinational companies.
- 2.To establish state of the art in house training facility for honing the skills of the students.
- 3.To build KITS brand value in the corporate world.
- 4 Plan more industry-institution interactions for the benefit of students and faculty.
- 5.Establishing exclusive Life Skill Lab for soft skills & technical skills.
- 6.Scheduling training programs from 1st year to prepare students to cater corporate needs & requirements.
